APPENDIX E
Format for Reporting Projected Participation
For each participant in this activity, include name and e-mail address, employing institution/agency, and department; plus, as applicable:

- For those reporting a research commitment, indicate the CRIS classifications Knowledge Area(s) (KA), Subject(s) of Investigation (SOI), and Field(s) of Science (FOS). CRIS classifications (KA, SOI, FOS) are found at http://lgu.umd.edu/lgu_v2/pages/login.cfm?referpage=/lgu_v2/pages/links.cfm in the Manual of Classification for Agricultural & Forestry Research, Education and Extension.

- Estimates of time commitment: Research Commitments: the default value is zero for any of the categories (Scientific Years (SY) Scientist Year: A full-time equivalent research scientist; Professional Years (PY) Professional Year: A full-time equivalent graduate student or postdoctoral research associate; and Technical Years (TY) Technical Year: A full-time equivalent technical support staff person. Make sure that for the SY, PY, TY values, you provide valid numbers. Also, note that SY should not be less than 0.1.

- For extension commitment: 1) indicate FTE (if you are working on the extension component of the project and are paid on or receive funding for extension work); 2) provide one or more of the extension programs listed at http://www.csrees.usda.gov/qlinks/extension.html#today and;

- Objectives(s) under which the each participant will conduct their studies (these are the objectives on the MRF proposal). To view the MRF project proposal: 1.) Go to the National Information Management Support System (NIMSS) at: http://www.nimss.umd.edu/; 2.) Click “SEARCH” (the binoculars on the left side of the page); 3.) In the Project No. box, enter the Project Number (e.g. NE-1000); 4.) Click the Search button to view the project home page; 5.) Click on Outline to view project proposal and objectives.

Total SY, PY, TY and FTE

Is this Person the official station representative to this project? ________

The completed Appendix E form should be forwarded to the Agricultural Experiment Station office (for Cornell University scientists, send to Crystal D. Clark at (cdo6@cornell.edu) Information regarding Multistate Projects is available on the Cornell University Agricultural Experiment Station web site: http://cuaes.cornell.edu/CUAESWeb/mrf_process.htm
